

APT Solution for Instrumentation,
Automation & Integration Products

Aptus Solutions, established in 1999 in Ahmedabad Distributor & Channel Partner of Premium brands with an excellent quality of Products.

our name, 'Aptus' signifies, our vision to provide "APT" Products & Solutions to the customers depending on their requirement for varied Industrial Segments and Applications.

With our Experienced Professionals, Large Distribution Network, Customer-Centric Approach and Support from our Associates, we are in the market to thrive & grow amicably.

Aptus – Masibus Products

- Data Acquisition module – Data loggers, Scanners
- Intelligent I/Os – Analog I/P-O/P modules, Digital I/P-O/P modules
- On-Off & PID Controllers
- Indicators – Compact, Large display, Bar graph, Loop powered, Remote display, RPM indicator
- Flow Totalizer Indicator
- Calibrators – Loop, Temperature, Universal calibrators
- Digital Display Units

- Signal Isolators – single, dual, three & Four channel, loop powered
- Field Interface Boards – RTD I/P, Analog O/P-O/P, Digital I/P, Relay O/P
- Temperature Transmitters – Head mount, Din Rail mount, Loop powered
- Humidity Transmitters – with RTD O/P, with Temperature transmitter
- Vibration Monitoring Units – Sensors, transmitters, switches
- GPS Master Clocks
- AC Transducers & VAF Meter
- Energymeter

Aptus – Masibus –Ewon Products

- Industrial M2M Routers
- Industrial Remote Access Routers
- Talk 2M Cloud base Solution
- Indicators – Compact, Large display, Bar graph, Loop powered, Remote display, RPM indicator
- Flow Totalizer Indicator
- Calibrators – Loop, Temperature, Universal calibrators
- Digital Display Units

Aptus – ABB Products

- Coriolis Mass Flowmeters
- Electromagnetic Flowmeters
- Orifice plates, Orifice assemblies, Wedge elements
- Thermal Mass Flowmeters
- Variable Area Flowmeters
- Vortex flowmeters
- Swirl flowmeters
- Absolute Pressure Transmitters
- Differential Pressure Transmitters
- Gauge Pressure Transmitters
- Multivariable Transmitters
- Pneumatic pressure transmitters
- Pressure Measurement Remote Seals
- I/P Converters

Aptus – Gefran Products

- Linear Potentiometer – Rodless, Rod type, Spring loaded.
- Melt Pressure transducers – For Pressure, Pressure + temperature measurement
- Controllers – All types of PID controllers
- Indicators – Load cell, Process
- Power Controllers
- SSR
- Load Cell

- Linear Potentiometer / LVDT/Position transducers – Rodless, Rod type, Spring loaded, Magnetostrictive
- Industrial Transmitters
- Melt Pressure transducers/Transmitters – For Pressure, Pressure + temperature measurement
- Controllers & Programmers for Melt pressure transducers

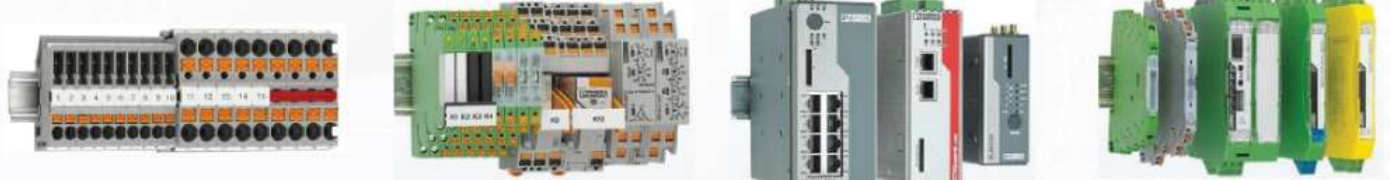

- Indicators & Alarm units – load cell indicators
- Power Controllers/Thyristors
- SSR
- Load Cell

Aptus – Phoenix Contact Products

- Power supplies and UPS
- Surge protection and interference filters
- Charging Technology for e-mobility
- PCB terminal blocks & PCB connector
- Relay modules
- Measurement & control technology
- Industrial Ethernet
- I/O systems
- Electronics housings
- Marking and labelling
- Terminal blocks
- Safety relays

Aptus – Phoenix Contact Products

- Functional Safety
- HMIs and industrial PCs
- Industrial communication technology
- Fieldbus components and systems
- Controllers
- Wireless data communication
- Sensor/actuator cabling
- Electronic switchgear & motor control
- Lighting and signalling
- Installation & mounting material
- Monitoring & Cables and lines
- Tools

Aptus – Wika Products

- Pressure Guages – All SS & SS-Copper alloy. Dial Size: 63,100,160mm, with Triclamps, Diaphragm Seals, cooling elements, switching contacts, back/bottom mounting.
- Pressure transmitters – General applications, with tri Flush diaphragm types, ex-proof
- Digital pressure Gauges
- Temperature Sensors
- Thermowell
- Manifolds
- Switzer Pressure & flow switches
- KSR Kuebler Level Switches
- Temperature Guages: Every angle, capillary type, dial sizes 63,100,160mm
- Temperature Transmitters – Head mount, DIN Rail mount, ex-proof, HART Type
- Snubber
- Syphons, Adaptors,

Aptus – Kuebler Products

- Incremental/Absolute encoders
- Linear measuring technology/Draw wire encoders
- Inclinometers
- Slip Rings
- Optical fibre signal transmission modules
- Position displays
- Encoders certified up to SIL3/Plc
- System solution for safe processing of safety sensors
- Hour meters & Transmitters
- Frequency meters & Tachometers

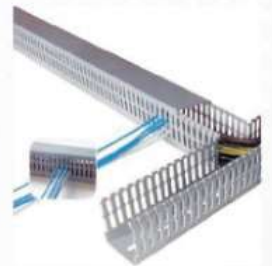

Water Quality Analyzers

- Alkalinity
- Ammonia / Ammonium
- BOD / COD / TOC
- Chloride
- Chlorine/ Chlorine Dioxide
- Color
- Conductivity / TDS
- Dissolved Oxygen
- Hardness
- Hydrogen
- Nitrogen / Nitrate
- Oil In Water
- Ozone
- pH & ORP
- Phenol
- Phosphate
- Silica
- Silt Density Index (SDI)
- Sludge Level
- Sodium
- Sulfide
- Total Suspended Solids
- Total Organic Carbon(TOC)
- Turbidity
- Toxicity

Aptus – Trinity Touch Products

- Enclosures
- DIN Rails
- Wiring Ducts
- Lugs
- Relay modules

Aptus – Satec Products

- Energymeter/Power Meter
- Multi Function Meter
- Power Quality Analyzer
- Harmonics Analyzer
- Disturbance Fault Recorder
- EMS – Energy Monitoring System
- SCADA

Aptus – Helukable Products

- Control Cables
- Data Cables
- Instrumentation Cables
- Industrial/Bus Cables
- Fibre Optic Cables

Aptus – ESA Automation Products

- HMI
- IPC
- Soft PLC
- Scada Software

Aptus – Meanwell Products

- AC/DC switching power supplies(SMPS)
- DC/DC converters
- DC/AC inverters
- Battery chargers.

Aptus – BLS Products

- Cable Drag Chains
- Plastic Cable Carriers
- Support Trays

Aptus – Peppler+Fuchs Products

- Proximity Sensors
- Photoelectric Sensors
- Industrial Vision Sensors
- Ultrasonic Sensors

Key Industrial Segments We Serve:

- Oil & Gas
- Textile
- Print & Packaging
- Machine tools
- Plastic
- Pharmaceutical
- Chemical
- Hydrogen
- Food & Beverage
- E-Mobility
- Water & Waste Water Management
- Renewable
- Cement
- Government Sector

Plot No : B-72, Sec - 2 Akshar Industrial Park , Opp Zudus Cadila, Sarkhej Bavla Road
Changodar, Nr Moraiya Ahmedabad : 382213
